

E A Southee School Song

To improve how we live and learn what we must
Our aim in life is to be what we are
And late on be better by far
For EA Southee School

EA Southee School, EA Southee School
We strive all day at work or play
To do our best, without any rest
For EA Southee School

Our colours tell our heritage well
Of a man and a town of great renown
A scholar great he was we know
And to him and the town our thanks we show
For EA Southee School

Maroon and gold, we wear! Maroon and gold,
we wear!
We strive all day, at work or play
To do our best, without any rest
For EA Southee School

(Lyrics by Ray Price former Deputy Principal)
