

EA Southee Public School

Friday 23rd of November 2018 Term 4 Week 6

Respect Responsibility Resilience

Remembrance Day

School Captains Lilliana Chick, and Kerstyn Taylor represented EA Southee School at Cootamundra Remembrance Day Service on Sunday 11th November at Albert Park. Lilliana read the Prayer for the Queen at the service.

Remembrance Day has a special significance in 2018.

Sunday, 11 November 2018 marked the 100th anniversary of the Armistice which ended the First World War (1914–18).

Stage 2 Excursion

It was a cool morning and students turned up for a 6:30am roll call. There were excited student faces and worried parents because it was a first for the Year 3 students to be staying away from mum and dad.

Mr Reddy and Mrs Frilay completed their roll calls and packed the bus. Then we stopped at Yass to have a snack and a play at the park.

When we finally made it to Canberra we went to the Australian Institute of Sport. We stopped out the front to have some lunch while a tour was booked for us around the Australian Institute of Sport. Then just before we went on our tour we got split into 3 different groups. After that the tour guide took us up to Sportex.

After the AIS we went to Questacon and we had a look in the shop. Then we saw lightening and we also seen some scientists. The children really enjoyed the shop because there was heaps of fun toys to buy and play with.

When we arrived to the Capital Country Holiday Park the children enjoyed the jumping pillow, volley ball, basketball, tennis and a pool. They really enjoyed the playground. Then we had a dinner buffet with roast beef, veggies, potato, pumpkin, sweet potatoes, broccoli, cauliflower, carrot and for desert we had mango, Pavlova and ice cream.

The students then enjoyed more activities. Students were tucked in to bed at 9pm and lights were out at 9:30pm.

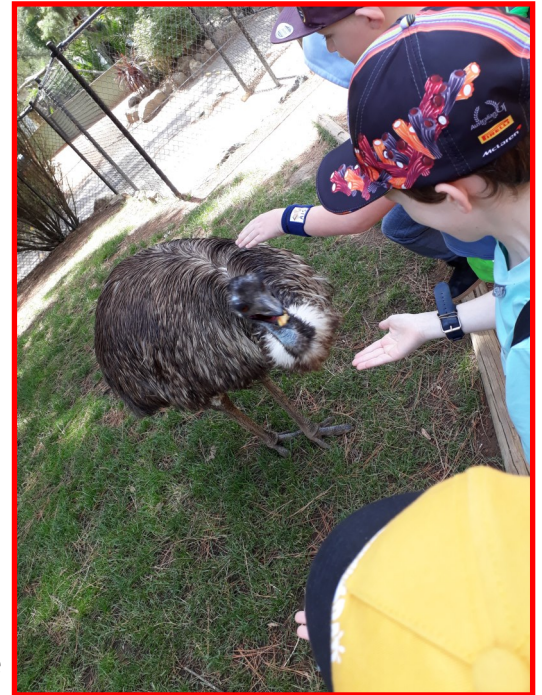

In the morning we had a beautiful breakfast with scrambled eggs, bacon and eggs and we also had waffles, mixed berries and custard. We really enjoyed the breakfast.

Then after breakfast we had a big play on the playground and packed the bus.

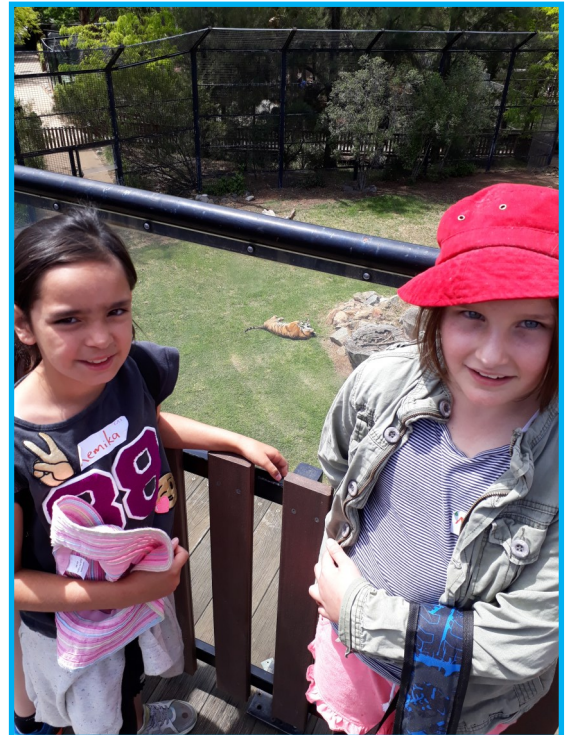

We went to the zoo and we saw Sharks, Star Fish, Emus, Tigers, Snow Leopards, Baby Giraffe and Monkeys. The tour guides name was Tye and he gave the students the chance to touch a snake. Mr Reddy organised a really good lunch. We had salami, sliced frankfurts, salad and pita bread with tropical poppers and a bottle of water.

After shopping at the zoo we went to the Dino Museum. The tour of the museum was awesome for the students.

Students enjoyed the huge blue berry muffins, Muesli bars, poppers, bottles of water and cheese snacks.

Stage 2 Excursion

Water Safety Day

Cootamundra Pool Staff organised a Water Safety Day again this year held at the Cootamundra Pool on Thursday 15th November 2018.

Along with last year's representatives they had a few new delegates on board to assist in providing students with knowledge and safety around water.

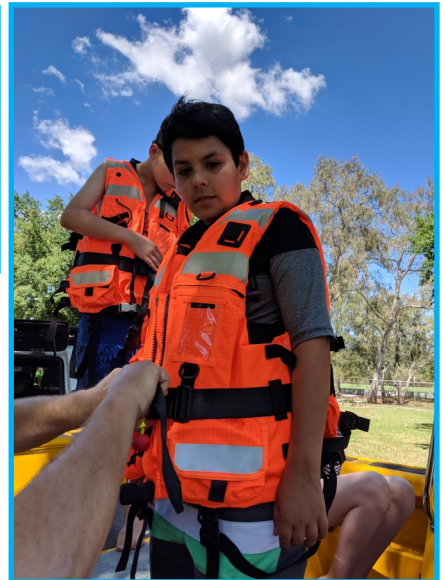

Schools were invited from Cootamundra and surrounding towns to participate.

Classes of approximately 15 to 20 kids per session for students Years 3 to 8 .

Each session ran for about 30 minutes with classes attending three sessions on the day

Whether at home, visiting family and friends or on holiday, it is always important to keep safety in mind when children are in or near water.

Therefore these water safety sessions are an important reminder to students prior to our summer holidays.

Cancer Council

EA Southee would like to thank the local Cancer Council branch for kindly donating 10 School hats for students that don't have one.

Sun safety is high priority at EA Southee and we have some great shade spaces for students to use during our warm months.

Art with Amanda Levett

EA Southee was fortunate to have Mrs Amanda Levett from Cootamundra Public School, come to the school and provide a fantastic art lesson to our students. The lessons started with an explanation of the symbols used in Aboriginal drawings and how they tell a story through them.

The students thoroughly enjoyed the experience and gained a lot of knowledge about aboriginal symbols and the meaning of some of their art.

These lessons are a continuing part of our ongoing collaboration with Cootamundra Public School and the Yalbinyagirri program

Kindergarten Outstanding Assembly Hosts

Kindergarten showed the rest of the school their wonderful talents in Public Speaking and Dance as outstanding hosts of our Week 5 Assembly. Well done Kindergarten!
