

EA Southee Public School

Friday 22nd May 2020 Term 2 Week 4

Back To School

Respect Responsibility Resilience

All students attending E.A. Southee Public School will return to full time on-campus teaching and learning from Monday 25th May (Week 5 Term 2).

There are still to be no visitors to school sites unless they are essential or Department of Education workers.

Parents are asked to drop off and leave without entering the school grounds as per the last few weeks.

If it is essential for you come to school please come to the front office via Cowcumbra Street thanks.

Semester 1 Student Reports

In line with advice from the NSW Department of Education, our school reports for Term 1 and 2, 2020 will be adjusted to cater for students learning from school and at home. Please be aware that all students may not have covered the same syllabus outcomes or content during this period. This report will not grade student achievement using the A-E scale for all outcomes. The teacher's comments will focus on English and Mathematics as well as learning that students have undertaken in other KLAS. The report will also provide information about student attendance, their commitment to learning and identify the next steps in learning.

E A Southee Student Reports will be sent home Week 9 Term 2 and Phone Interviews will be held in Week 10 for all families about their child's learning.

Classroom Learning

Team 3 have been using coding in their Daily 5 literacy rotations to consolidate their spelling knowledge. Students use special markers to create a code for an Ozobot to read and follow. They have been challenged to create a track using one of their spelling words and see whether the Ozobot can follow the coded instructions.

Team K have been investigating the properties of materials in Science. They have been enjoying learning through the processes of experimentation.

With the lovely weather that we have been experiencing, Team K thoroughly enjoyed a morning of outdoor learning.

Team K students have also been completing fabulous home reading. Congratulations to you all on your achievements.

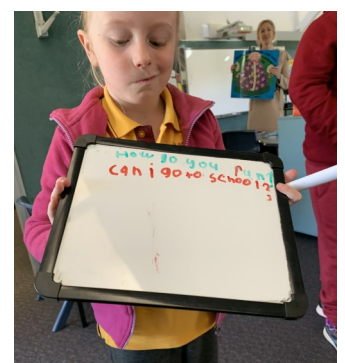

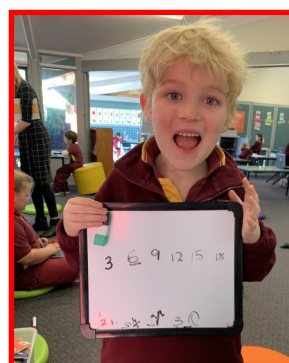

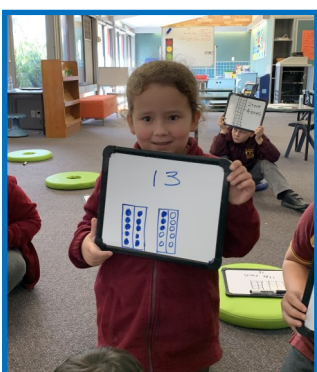

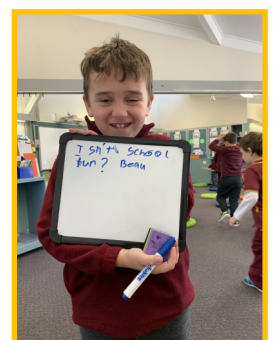

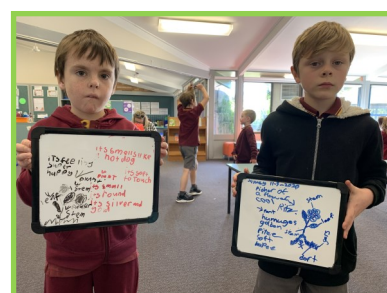

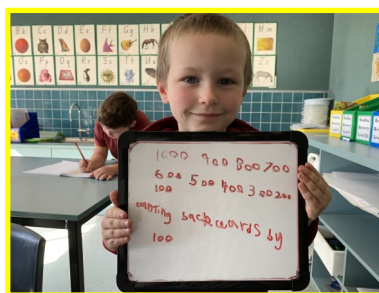

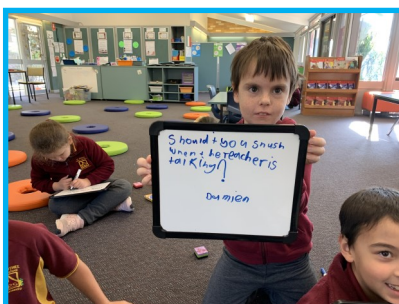

Friday 22nd May 2020 Term 2 Week 4

This Term in Team Toucan we are exploring the story of "Hansel and Gretel" through guided drama activities. Students will develop their drama skills of creating, responding and performing. Towards the end of the term, small groups of students will practice and perform the play in front of the class.

Team Giralang students have been working on their use of punctuation and using incredible describing words to help the reader of our stories create a great mental picture.

In our maths rounds we have been working on our 'groups of' and making array buildings to help us with our multiplication.

Staff Professional Learning

During the Department of Education's Covid-19 lock down staff at E A Southee Public School have been unable to participate in any professional learning due to restrictions on travel in NSW.

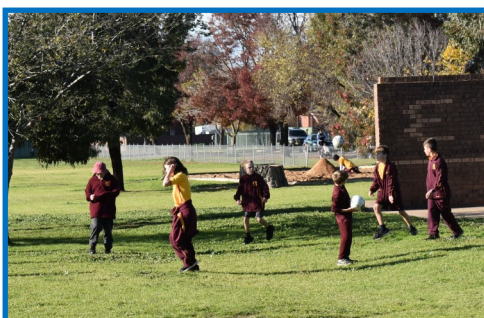

However to ensure our school staff are constantly improving their teaching practice it was important to offer the staff an opportunity to participate in professional learning opportunities within our school.

Therefore to ensure all staff are improving their knowledge and developing new ways to support all our students, staff will be participating in a SWITCH Program for 10 weeks within our school. This will see one Educator from each team moving to a different team to observe different Educators and make the learning K-6 more visible across our school. This program will encourage collaboration across the school and help improve and offer a different perspective on teaching and learning for our staff to ensure our students have the opportunity to reach their potential with the support of quality and reflective teaching staff.

It is also a wonderful opportunity for the students to learn with a different Educator who may bring different ideas and ways of learning and support to the students.

These will be the changes from Week 6 Term 2 until Week 5 Term 3. Mr Dabin will go to Team 3 and Mrs Lienesch (Miss Dean) will be working with Team K. Mr Sharman will be going to Team Toucan and Ms Craw will be working with Team Giralang.

We are very excited about this wonderful opportunity within our school.

Friday 22nd May 2020 Term 2 Week 4

School Happenings

We would like to welcome Mr Graeme Johnson to E.A. Southree PS for Term 2. Mr Johnson is a part of the Department of Education's Employment Guarantee for Casual Teachers during Covid-19. Mr Johnson has been placed at our school and we are very excited to have him working with us during Term 2.

Roof work nearly complete on Team 3 Classroom.

A Family & Community Survey will be sent home on Monday 25th May and be returned by Friday 29th. This a great opportunity to have your input into our school.

Family Photos

To all our Wonderful Families

Due to not being allowed on school grounds at this time we would like to have you with us at school in some way.

COULD YOU ALL PLEASE

Take a photo of your family with your EAS Kids

And email it to easouthee-p.school@det.nsw.edu.au

Or send it as a text message to 0472535216 ASAP

We will then print them and put them up around school on our boards to have you here with us.

THANKS!
