Friday 19th June 2020 Term 2 Week 8

Student Learning

Team K have been participating in weekly physical activity with Mr Johnson.

They have been practicing the upcoming cross country course as well as their fundamental movement skills.

Pictured are some action shots of Team K improving their throwing skills by aiming at a target.

Team Giralang presenting their information reports about the Sydney Harbour Bridge for History. The groups informed their peers about when the bridge was built, the purpose of it in the past and the present and why we should preserve the Sydney Harbour Bridge for the future.

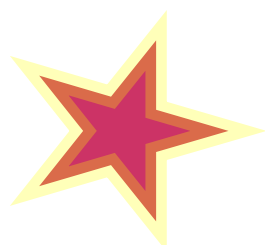

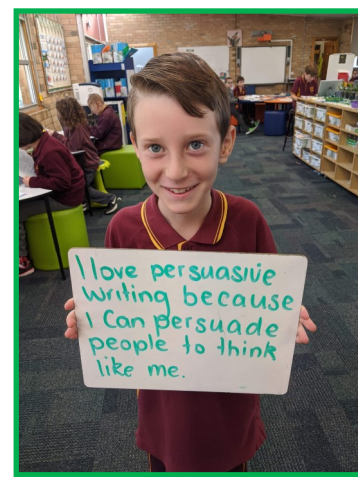

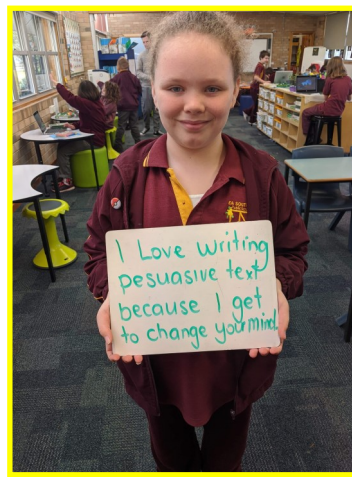

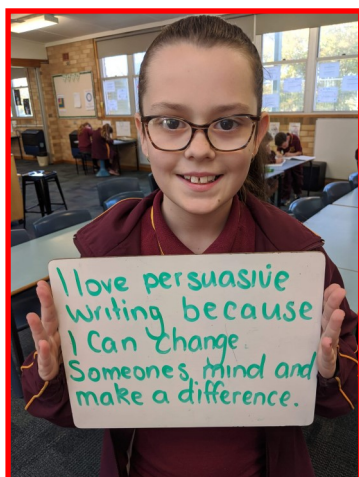

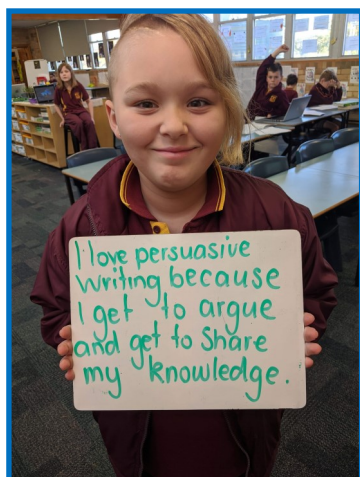

Friday 19th June 2020 Term 2 Week 8

Team 3 are creating artworks modelled on Van Gough's "Starry Night". The students have experimented with different mediums and techniques with creating artworks.

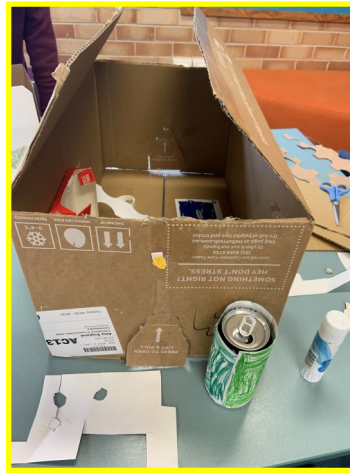

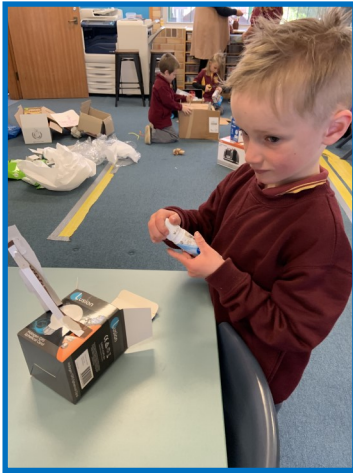

Team Toucan have been working on writing Persuasive Texts. They have been learning to use persuasive devices, how to write a persuasive text using the correct structure and how to use a marking rubric to improve their writing and give valuable feedback to their peers. We have seen our students improve daily and watch as they learn to give feedback to their peers and apply the feedback to their writing.

Friday 19th June 2020 Term 2 Week 8

In team Giralang we have been learning how materials can be reused, recycled and blended with other materials to create something new. We have made a House for a Mouse! Our learning intention was to make a house that a mouse can enter into, turn around and exit using recycled materials. To measure if we are successful, we are going to code an “ozebot” – our mouse to complete the set task. We have used a range of materials – plastic, cardboard, straws, cotton balls, wool and even an old boot!

Telephone Interviews

Educators are looking forward to catching up with all families and carers about learning at our school

Please make sure you are available when staff call you about your child's Learning Journey for Semester One. Educators will call at the nominated time and the call may come up as the school numbers 69421166 or 69421669 or the School Mobile 0472535216 or a Private Number

Friday 19th June 2020 Term 2 Week 8

Cross School Run

Due to restrictions on running Cross Country Events for our School this year we will be replacing it with a Cross School Run for 2020.

Mr Johnson is preparing the students and the course. We will run it the last day of term.

Unfortunately we are still unable to have families join us on this day but hopefully in Term 3 when we run our Athletics Carnival things will be back to normal.
