Student Learning

Team 3

This term, Team 3 have been working on identifying the difference between positive and negative emotions and how they can affect relationships. They worked in collaborative groups to create Y charts exploring what positive emotions look like, feel like and sound like.

Team 2

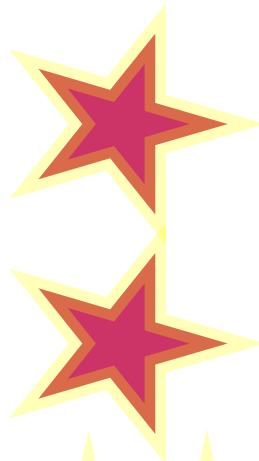

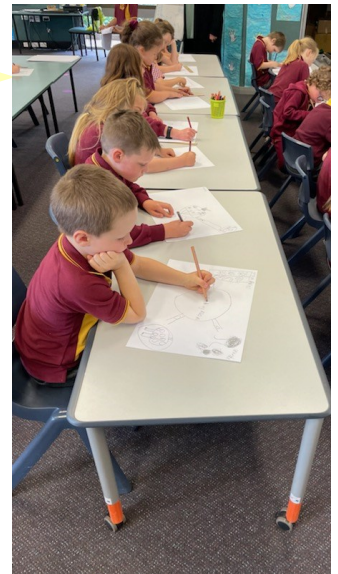

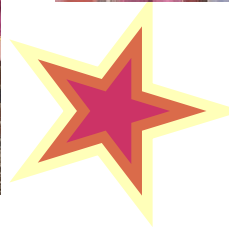

This term, Team 2 are focusing on the importance of reading and how consistent reading can improve comprehension. Students are picking good fit books and setting a goal to read every day for a minimum of 15 minutes.

Friday 15th October 2021 Term 4 Week 2

Team Wonderland

This term, Team Wonderland have explored the school looking and discussing the wonderful Indigenous artwork displayed. This was a pre lesson to designing the cultural garden at our school. The students transferred their knowledge to their planning of the garden.

HAVE FUN WITH 'OUR STORY TIME at HOME'

UNIT: PWTRDG101
PLAN TO READ FOR PLEASURE

COURSE DESCRIPTION

The 'Our Story Time at Home' program will support families (including parents, grandparents or caregivers) by giving Aboriginal and Torres Strait Islander children, aged 0 to 5 years, a good start in life through a range of literacy activities. 'Our Story Time at Home' is designed to increase participation and positive learning outcomes within family units.

These activities focus on sharing stories through reading, listening and communicating and it is hoped that during these art activities, the Aboriginal heritage of language and literacy practices will be more widely discussed and embraced.

HOW DOES IT WORK

Each week we will deliver a bag to your doorstep with everything you will need for a literacy activity, an art activity and a food item to share. The following week you leave your bag out with your completed art in it and our facilitator will exchange it for a new bag containing new activities for the next week. Each bag will contain different items that will follow our weekly theme and could include some reading activities, craft activities, games or cooking activities. In your package you will receive specific instructions to guide you through the activities with your children.

As a part of the program, we would like to collect the craft/art that you make each week to make a book or other product that you can keep. This product will be delivered to you shortly after the last week of the program.

'Our Story Time' is an initiative of the Australian Government's National Indigenous Australians Agency.

COOTA NETBALL HEADING FOR STATE TITLES

The Cootamundra Netball Association are excited to announce that they will be heading to Sydney in 2022 to compete in the Netball NSW State Titles. Coota has not fielded a representative team for over a decade and are excited to take on State League once again!

Over the past few years we have gained access to more experienced and qualified coaches and managers who are ready to develop local girls into serious contenders to take out regional carnivals, which predominantly are held on Sundays. Cootamundra Netball Association are making this level of competition available to non-club or club participants.

But the big prize will be the opportunity for the girls to experience the competition and comradeship that comes with playing at State level; a rare opportunity and one worth taking.

Cootamundra Netball Association are encouraging any girl aged 11 -17 years in 2022 to consider trialing for representative selection. We are grateful to have the opportunity have selectors travel from the South Coast that have been part of the Suncorp Super Netball League

Nomination forms to participate in selection trials can be found via the Facebook page or via website www.cootamundrana.nsw.netball.com.au. Nomination Close Friday 12th November 2021.

Trials are set for 27th November 2021
