Home Learning

Thank you to all our wonderful families for your support with home learning. We appreciate the time you spent engaging with your child/children and their home learning packages. It was not an easy time for any of us but we proved the strength of the Southee community during this time. The educators and staff thank you!

Build a Sandwich

Today all students had the chance to make their own sandwich for lunch. This activity supports fruit and veggie month that occurred during lockdown. As a PBL acknowledgment reward all ingredients were supplied by the school. Students also enjoyed fresh fruit and a fruit box.
