Respect Responsibility Resilience

Thank You

Thank you to Cootamundra Woolworths who donated beautiful fresh fruit to our school last week.

Our students were all able to enjoy fresh fruit at Recess as a healthy snack option.

Student Learning

Mini Kindy visited Mrs French and her office this week. They are getting to know all the areas of the school and the educators.

Team K have been learning about patterns in Maths this week. Students were asked to work with a partner to create an increasing pattern with the blocks. Team K really enjoyed this hands-on lesson.

Friday 4 November 2022 Term 4 Week 4

Team 1 have been learning all about colours and their representation and connections in the real world. Students used their learnt knowledge to create their own basket art which connected their understandings of both colours and baskets.

This week students extended their understanding with the book, Chinese New Year Colours. This book encouraged the students to learn the Mandarin and Cantonese words for each colour which the students really enjoyed practicing.

Team 2 have been learning about poetry. Students have been investigating the poetic techniques that are in the various types of poetry. This week we have been developing our understanding of Acrostic Poems and trying to apply our learnt skills.

Student Learning

Team 3 have been busy with hands on activities during their maths sessions involving 2 dimensional shapes. They have been investigating how we can classify shapes by their attributes.

PALM

Last week Early stage 1 and Stage 1 families were invited to engage in our PALM sessions to learn more about supporting their child in Mathematics. Students taught their parents and carers how to play 'Make 10' to practice their additive strategies. Thank you so much to the large number of families who attended these sessions. We look forward to seeing you all back again later in the term to learn about multiplication.

PBL Vox Pop

This week our Positive Behaviour for Learning (PBL) focus across the school is Resilience.

How can you be Resilient in the playground?

Madeline:
Wait my turn on the
equipment.

Patrick:
Play nicely with my
friends.

Natalia:
If there is a problem,
I could try to solve it
myself then tell an
educator if I need
help.

Keiralea:
Persevere when
faced with
challenges.

Grandparents Day

On Monday morning we celebrated Grandparents Day at EA Southee. Grandparents were invited in for breakfast and a cuppa, to listen to their grandchild read. They were also asked to bring their favourite picture book along to read to their grandchild. Thank you to all the grandparents who attended our event, it was wonderful to see so many of you!

100% Attendance

In the past two weeks 17.78% of students have attended school 100% of the time, missing no learning opportunities. Congratulations to those students and their families on helping us to reach our target of 100% attendance across the school.

We are a long way off achieving our goal!!

Live Life Well

Physical activity and active play are important for your child's energy levels, sleep, development, and overall health and wellbeing. Encourage your child to play outdoors several times a day to minimise screen time. Find more information on [Raising Children](#)

Help your child be physically active each day for their physical and mental health. If your child is 7-13 years of age, consider registering for Go4Fun online for more support: <https://go4fun.com.au/>
