Principal: Mrs Lynne French

Friday 16 December 2022 Term 4 Week 10

# Student Learning

During PDH students in Team K have been learning about safety. This included road, water, sun and bike safety. Students were challenged to ride their bikes or scooters around a course safely, remembering all bike and road rules in the process. Students had lots of fun.

Team 2 students have enjoyed participating in Reader's Theatre during drama this term. They have demonstrated improvement in their use of expression, tone and fluency when presenting in front of their peers. Some students experimented with a range of voices for their characters, entertaining the educators and students.

## Friday 16 December 2022 Term 4 Week 10

Team 1 have been exploring length in Mathematics. Students particularly enjoyed coding the Ozobots to create their own maze. After completing the mazes students took turns racing their Ozobots.

In English students have been revisiting their spelling words and sounds. Students enjoyed using magnetic and scramble letters to create their words, and writing their words in a fancy way on whiteboards.

Team 1 welcomed their class elf, Jeffery. Students have been very excited to see the mischief he creates in our classroom. Some of his adventures included being caught in a spider's web and when he muddled up our daily timetable.

Team 3 have been busy during Science doing hands on experiments.

Students have been water proofing hessian with plant oil, doing the control (with nothing), light (little bit of oil) and saturated (soaking with oil) method. Students then placed all pieces of hessian in water to see which method worked better. Students wrote a hypothesis and a evaluation to show their understanding of the experiment.

Team 3 are enjoying their last week together before farewelling the year 6 students!

## **PBL Vox Pop**

This week our Positive Behaviour for Learning (PBL) focus across the school are all our school values.

**Which value have you shown the most this year and how?**

Morgen:  
Respect - By actively listening to educators and peers.

Will:  
Respect - By helping others and including them in games.

Shaylee:  
Responsibility - By following expectations and being a kind friend.

**Respect**

**Responsibility**

**Resilience**

**Friday 16 December 2022 Term 4 Week 10**

## PBL Reward

Congratulations to the students that traded 50 R's to enjoy hot chips and a milkshake for lunch!

# Cop the Mop Fundraiser

The students have been raising money all term through our Silver Coin Challenge. Each team lined their coins up to see which team had the longest line. The SRC are donating the money to Jason Baldock's "Chop the Mop" fundraiser for Cootamundra Can Assist. Jason visited EA Southree to see the coin challenge in action and estimated how much money he thought we had raised. He then answered student questions and enjoyed getting photos. Thank you to everyone for their efforts with our silver coin challenge, what a wonderful fund raiser to support and be a part of!

\$500.10 was raised.

**Friday 16 December 2022 Term 4 Week 10**

# 100% Attendance

In the past two weeks 48.39% of students have attended school 100% of the time, missing no learning opportunities. Congratulations to those students and their families on helping us to reach our target of 100% attendance across the school.

We are a long way off achieving our goal!!

## Attendance Ladder

How close is your child to 100%?

0 days off school	100%	Perfection
Equates to 2 days off school each year	99%	Excellent
Equates to 5 days off school each year	97%	Good
Equates to 10 days off school each year	95%	Slight Concern
Equates to 20 days off school each year	90%	Concerned
Equates to 30 days off school each year	85%	Very Concerned

**Friday 16 December 2022 Term 4 Week 10**

### Live Life Well

Active play has so many benefits for children, and adults. Active play not only has health benefits but allows children to be creative, use their imagination, develop the senses. It helps develop confidence, self-esteem, improve concentration and emotions.

Fruit has essential nutrients and fibre that help students feel fuller for longer.

#### Active Play Every Day

**HEALTHY EATING  
ACTIVE LIVING**

#### FRUIT FUELS LEARNING
